

Low computational-cost hyperspectral data recovering for a configurable double disperser imager

Ibrahim ARDI

Thèse encadrée par Hervé Carfantan (équipe SISU/IRAP) et Antoine Monmayrant (équipe PHOTO/LAAS)

Journée des thèses IRAP 2017

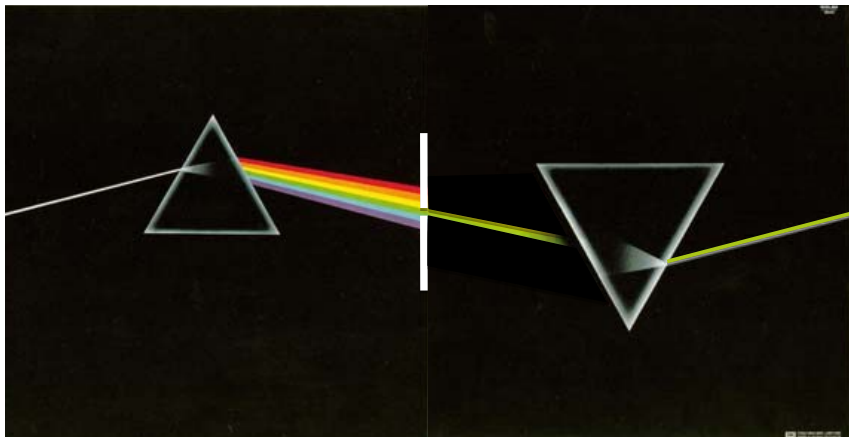

21 juin 2017

Principle of hyperspectral imagers

Instrument : Dual disperser Imager

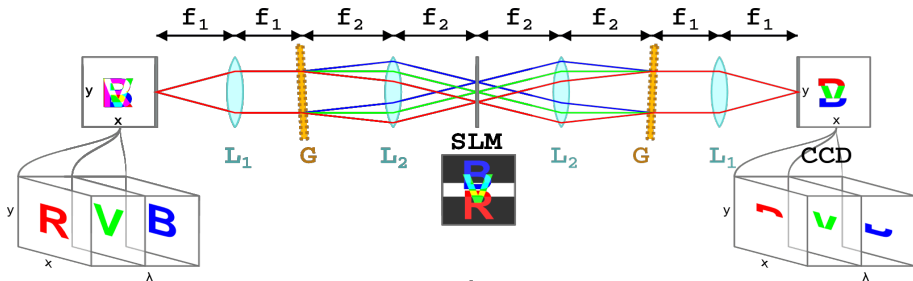

Instrument : Dual disperser Imager
